Learn the most advanced functions, tips and best practices for presentation design to be a distinguished PowerPoint user. This PowerPoint course is designed specifically for financial analysts who need to create PowerPoint presentations, mainly in the form of pitchbooks.

This advanced course will help you become a world-class financial analyst for careers in investment banking, private equity, corporate development, equity research and FP&A. By watching the instructor build the pitchbook right on your screen, you can easily pause, rewatch, and repeat exercises until you've mastered them.
